List of 28 current candidate schools for vision screening. School contact names may change from year to year. Enrollment data is approximate. ADHS Rules for vision screening go into effect for the 2024-2025 school year. The tree mandated grade levels are: Entry into school preK/K, 3rd and 7th grades. Photoscreeners/autorefractors are not permitted to be used for students over the age of 5. Lions Screen Kids Sight program for Yavapai County will screen preK/K up through the age of 5, 1st, 2nd, and 4th grade students in most schools, assuming schools' cooperation. Several schools may request additional grades be screened, which will exclude 7th grade. Enrollment calculated as a proportion of total school enrollment.
